Oil Search

What we do ?

Apart from Oil & Gas, what else?

Why we exist...

To provide sustainable development in the areas of; infrastructure, community education, health and gender equality

- » ***“Oil Search’s future is tied to Papua New Guinea. When a company’s success is so closely linked to the well-being of a nation, the nation’s issues become the company’s issues.”***
 - » **PETER BOTTEN CBE, MANAGING DIRECTOR, OIL SEARCH**
